

## CU Learning: Prepaid

### Prepaid Training

Credit unions seek to deliver exceptional member service to gain members' loyalty in return. A well-trained credit union staff helps reduce the risks of potential mishaps during day-to-day tasks.

PSCU's CU Learning offers Debit Training that can be initiated for a variety of reasons. Perhaps, you've hired new staff that needs to be brought up to speed, need to help existing staff members learn a new role, or maybe your existing team is in need of a simple boost in overall job performance. PSCU's CU Learning Team offers courses in a variety of formats to suit your needs.

### The Power of Progressive Training

- **Productivity Gains** — Improve the overall level of service and support offered to your members with a more informed staff. Spend less time fixing mistakes, and more time focusing on members and crucial operational duties.
- **Increased Member Satisfaction** — When staff are properly trained, they know how to solve problems efficiently and field member inquiries with a greater level of success.
- **Improved Staff Morale** — The more engaged and involved your staff is in working for the credit union's overall success, the more nurtured and motivated they will feel.
- **Return on Investment** — When taught the skills needed to use systems to their full potential, your credit union staff will improve your institution's bottom line.

## Effective Training to Suit Your Needs

The courses and training resources within CU Learning are effective in enhancing the performance of credit union staff. Several forms of training are available to choose from.

- **Self-paced Learning Modules:**  
Self-paced learning modules are digital forms or content delivery that are voice enhanced, interactive, and engaging for all learners. Self-paced learning modules can be accessed 24/7 through PSCU's credit union learning portal, Momentum.
- **Instructor-Led Virtual Training Sessions:**  
These training sessions, also referred to as Distance Learning, are led interactively by an instructor and take place over the Internet. Virtual training sessions eliminate the need for travel and can easily be scheduled to meet a credit union's learning needs.
